

Government

Streamlining government work, project, and task management

Government departments, agencies, and defense branches require intuitive and robust solutions to ensure critical, routine, and ad-hoc tasks, projects, and work is completed on-time, within budget, with all steps documented for transparency and accountability. With Tasker, government organizations can address every unique aspect of their agency without relying on a catalog of legacy, inefficient, disparate, and siloed software solutions. Instead apps can be securely deployed with ease in Tasker and integrated to connect seamlessly to on-premise, cloud, and hybrid systems like Microsoft SharePoint while ensuring the highest standards of security are built in - US Department of Defense IL5 and FedRamp High.

**Built for Today's Technology-Forward
Federal, State and Local Government Departments and Agencies**

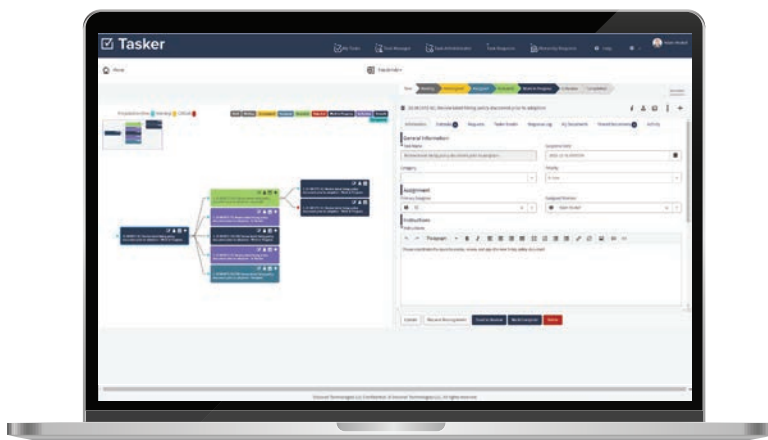

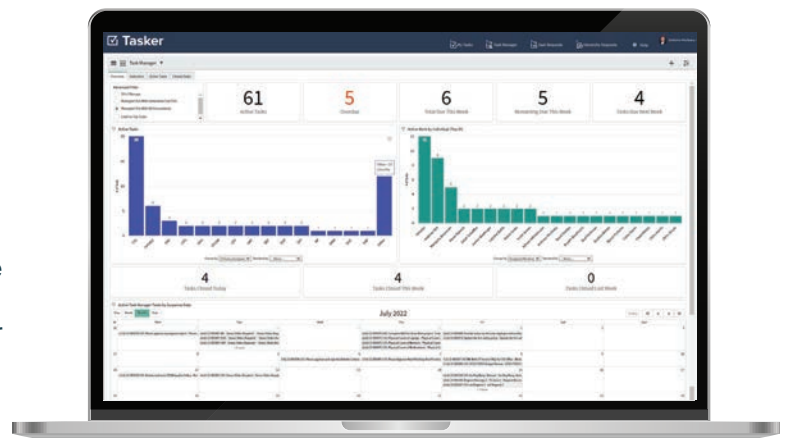

WorkUI™

Manage your work easily all in one place with the Tasker WorkUI™. Designed with collaborative work management best practices in mind so your critical, ad-hoc, and routine work is completed regardless of location or device. Quickly find all your assigned and delegated tasks, projects, and work. Access each assignment, all attachments, approve, complete, or delegate with ease.

Reports & Dashboards

Robust and dynamic standard and custom dashboards capture the state of work being performed throughout the organization. Executives can review organizational performance while business unit and team leaders can see who is getting work done and where bottlenecks are impacting productivity. All dashboard data can be easily exported in one-click to .csv and .xlsx formats for further analysis or review.

Intuitive TaskFlow™ Builder

Easily build complex tasks and projects using Tasker's unique TaskFlow Builder. Build and review templates in "task-tree views." Quickly make task and subtasks, adjust assignments, or make ad-hoc changes on the fly to adjust for unexpected challenges or staff turnover. The flexibility and proactive features of Tasker ensure work is completed and nothing is lost when changes impact the market, business, or workforce.
